MEMORANDUM FOR: Chief, Material Branch, DPD-DD/P

25X1

SUBJECT : 231D Transmitter on [] CMR

25X1

1. The 231D transmitter reported as a short item on the [] CMR has been located in the custody of the Ramo-Wooldridge Corporation and installed at their test facility at Seal Beach, California.

2. The following events concerning the transfer of this equipment are quoted for purposes of the record:

a. The equipment was requisitioned and set up as the test transmitter for the development program of System II.

b. The System II program was turned over to the Office of Communications and led to the AS-8 program which also used the 231D as the test transmitter.

c. Accountability of the transmitter was not, apparently, transferred.

d. Contracts Branch, DPD-DD/P, advises that the development work on the above has been completed and that the GFE and residual inventory will be returned.

3. When the equipment is returned, the transmitter should be PTI'd to stock, thus clearing our records.
